

ORION

DO YOU HAVE THE SKILLS EMPLOYERS NEED?

EMPLOYMENT AND TRAINING SERVICES

Orion Industries, Mukilteo, is a social enterprise with a mission of helping those with barriers to employment. Orion supports individuals to locate community employment and uses operations in its manufacturing division as a platform to teach people job skills through job coaching, mentoring and training programs.

Orion's Training & Employment division supports individuals in achieving their goals through career path planning, community based assessments, job development, and job retention services.

SERVICES

- INTAKE - Initial meeting to gather information
- DISCOVERY/ASSESSMENT - A person centered approach to learn job goals and skills
- JOB PREPARATION/EMPLOYMENT CONSULTING - Job readiness preparation
- MARKETING/INTERVIEW SKILLS/RESUME WRITING - Develop customized materials for competitive employment
- JOB COACHING - One-on-one job training and support
- JOB RETENTION/INTENSIVE TRAINING - Support employer and employee relations up to 90 days after hire.

REDF

An investment that **works.**

Orion Training & Employment is a division of Orion Industries. We offer skills training and assessment in our aerospace business, and in our community to support individuals with barriers to employment.

HOW TO ACCESS SERVICES:

- You must be a client of the State Division of Developmental Disabilities (DDD) or the Division of Vocational Rehabilitation (DVR) to be eligible for funding for Career Path Services or Job Placement Services
- Contact DDD at 425.339.4833
- Contact DVR at 425.339.4880
