

ORION

WE WANT TO ASSIST YOU TO GET YOUR FIRST JOB!

ORION TRANSITION SERVICES

Let us assist you through your pathway to employment as you transition into adult life and services. We provided assistance with the pre-employment and post-employment process as outlined below.

VOCATIONAL PLANNING AND ASSESSMENT

- Utilize Person Centered Planning and Individual Career planning
- Identify skill and interest through assessment and discovery process
- Hands on experiences to help you learn

JOB PLACEMENT

- Individualized to meet your goals, match your skills and interests
 - We can work to assist in establishing work accommodations so the employer and employee are both satisfied
 - Provides assistance with resume and portfolio building
- Find and create unique placements
- Connect to additional resources to accommodate communication needs, such as technology assistance

TRAINING

- Assist you in on-boarding at your new job
- Provide Intensive training to help you to learn the functions of your job
- Provide on-going coaching based on needs
- Assist in re-training and new tasks training as needed

Orion's talented and close-knit team provides individuals with a highly personalized approach in creating the best possible job match with its large number of loyal business partners.

TO PARTICIPATE YOU MUST:

- Be entering your last year of a participating school transition program
- Meet eligibility requirements for Snohomish County Developmental Disabilities School-To-Work
- Eligible for DVR
- Be eligible for Developmental Disabilities Administration (DDA) services
- Have reliable transportation
- Be committed to working

REDF
An investment that works.
